**1 Introduction to Dr Tobin**

Dr Peter Tobin has over thirty five years of business and management experience across a number of different industries and in a wide range of roles. Dr Tobin combines real world expertise and experience with a solid grounding in global Best Practice and a clear understanding of how to achieve World Class performance, particularly in the area of the Protection of Personal Information (POPI), data privacy and protection and IT Governance and Management.

Dr Tobin has published over twenty academic conference papers and journal articles, has spoken at numerous South African and international conferences and has facilitated in excess of one hundred workshops in a number of fields, including in Protection of Personal Information and IT Governance and Management in the past twenty years. He has also facilitated strategy development and implementation sessions for a number of companies, as well as acting as the conference chair, meeting facilitator and public speaker on numerous occasions. He has delivered workshops and courses in Botswana, Democratic Republic of the Congo, Dubai, Germany, Lesotho, Namibia, Nigeria, Zambia and Zimbabwe in addition to South Africa.

Dr Tobin is a graduate of four universities, gaining his first degree at the University of York (England), following this with a Post-Graduate Diploma in Management Studies at the University of East London (England). He also holds the prestigious MBA awarded by Henley Business School , graduating top of his class. He later completed his Doctorate in the field of Knowledge Management at the University of Pretoria. Dr Tobin has also been a certified project manager for seventeen years (earning both USA PMP® (1998) with the US-based Project Management Institute and UK sourced PRINCE2 (2004) qualifications), and is certified to 2020. Dr Tobin is also a Professional Grade member of the Institute of Information Technology Professionals South Africa (IITPSA replaced the Computer Society this year). He is also an active member of the South African chapter of ISACA, the professional body for those interested in IT Governance, and holds the ISACA certification “Certified in the Governance of Enterprise IT (CGEIT)” awarded in 2014.

## 2

Dr Tobin was a full-time academic at one of South Africa's leading business schools over a period of twelve years (Gordon Institute of Business Science - GIBS, University of Pretoria, 1999-2011), during which time he delivered over 100 academic programmes from junior management to senior executive, including lecturing for 12 consecutive years on the GIBS MBA programme.

Dr Tobin has also delivered over 100 public workshop and presentations, the full list of which is available at the following link: <https://sites.google.com/site/petertobinconsultancy/testimonials-1>

Dr Tobin has experience in a number of areas relating to the Protection of Personal Information (POPI), data privacy and protection:

- Co-authored multiple articles about data privacy and protection and POPI
- Spoken at multiple workshops on data privacy and protection and POPI
- Consulted to multiple clients on data privacy and protection and POPI
- Managed multiple projects data privacy and protection and POPI
- Developed multiple consulting tools for data privacy and protection and POPI
- Been interviewed by print and radio journalists about POPI
- Made multiple videos about POPI
