# 4 key questions

Who are  
we?

What do  
we  
offer?

Why  
work  
with us?

How do  
we  
operate?

# IACT-Africa

- IACT-Africa is a specialist consulting company that has built a reputation for quality and value in the delivery of information security, IT governance and management.
- In 2013 IACT-Africa broadened the scope of its products and services to include a focus on POPI Act (POPIA) compliance through a strategic partnership with PTC, a consulting company established by Dr Peter Tobin in 1994.

# John Cato

- John has gained experience in the airline, IT vendor, healthcare and financial services sectors
- John was accredited as an Openframework (Enterprise) Architect in the UK and has passed exams in Information Security, Service and Project Management
- John is an active member of the South African chapter of ISACA, the professional body for those interested in IT Governance

# Dr Peter Tobin, CGEIT, PMIITPSA, PMP

- Peter is a graduate of four universities
- Peter has been a certified project manager for nineteen years earning both USA PMP<sup>®</sup> and UK PRINCE2 qualifications
- Peter is a Professional Grade member of the Institute of IT Professionals of SA (IITPSA)
- Peter is “Certified in the Governance of Enterprise IT” by ISACA

# POPI Act compliance experience

John Cato and Peter Tobin have:

- Managed multiple projects data privacy and protection and POPI
- Developed multiple consulting tools for data privacy and protection and POPI
- Co-authored multiple articles about data privacy and protection and POPI
- Spoken at multiple workshops on data privacy and protection and POPI
- Consulted to multiple clients on data privacy and protection and POPI
